

THE NEXT-GENERATION, SOCIAL SPORTS-GAMING PLATFORM.

BY FANS. FOR FANS.

.....

THE PROBLEM

- Current sportsbooks and DFS platforms are built around traditional sports and English-first audiences.
- Current platforms are difficult and tedious to use. Not conducive to fast gaming.
- Young users increasingly want social competition, community engagement, and mobile-native gameplay.
- Soccer fans and Hispanic audiences remain underserved in fantasy and sports gaming.

THE OPPORTUNITY

- Global sports betting market exceeds \$100B annually.
- Fantasy sports projected to exceed \$80B by 2030.
- US Hispanic population exceeds 65M with \$3.7T+ buying power.
- FIFA World Cup 2026 represents a massive catalyst for sports engagement.
- 80% market growth since 2021

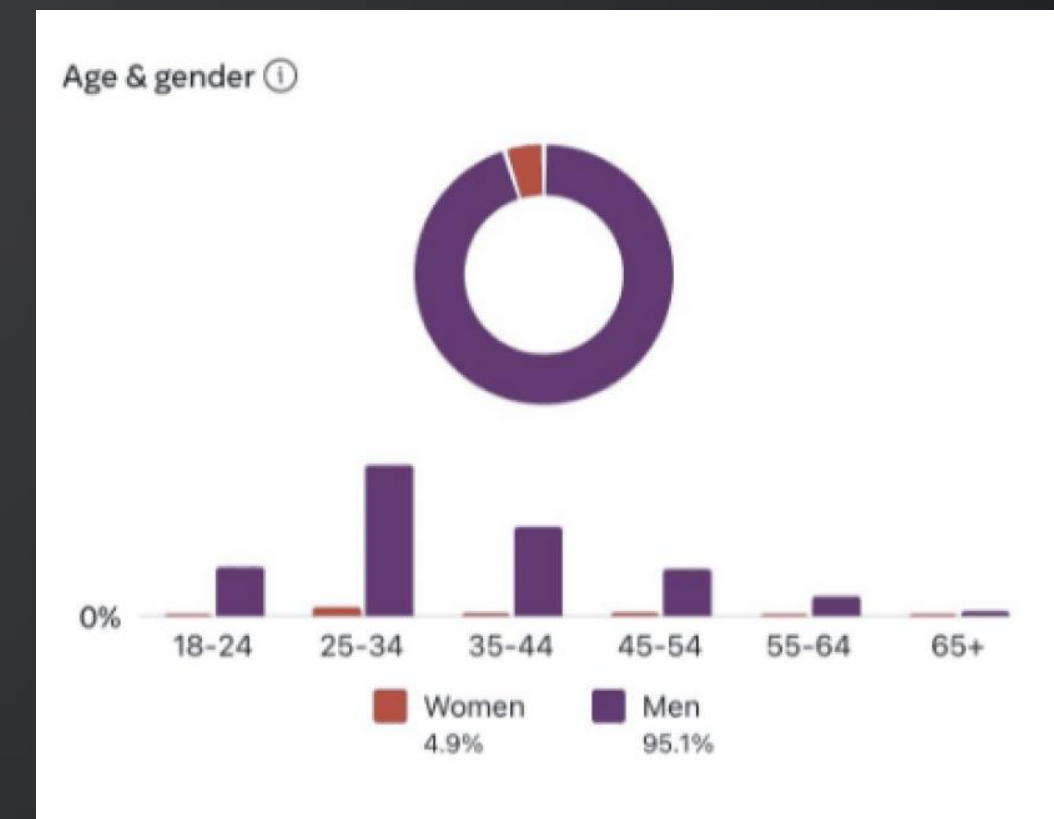

PROJECTIONS

- 17.33% annual revenue growth by 2027.
- 49.3 Million users by 2027.
- User penetration: 9.2% in 2023, rising to 14.3% by 2027.

TARGET MARKET

- Users 21-54 in age. With average income from \$50,000 to \$75,00 per year. Novice users.
- Latino, Spanish speaking population in soccer expansion.

WHY NOW

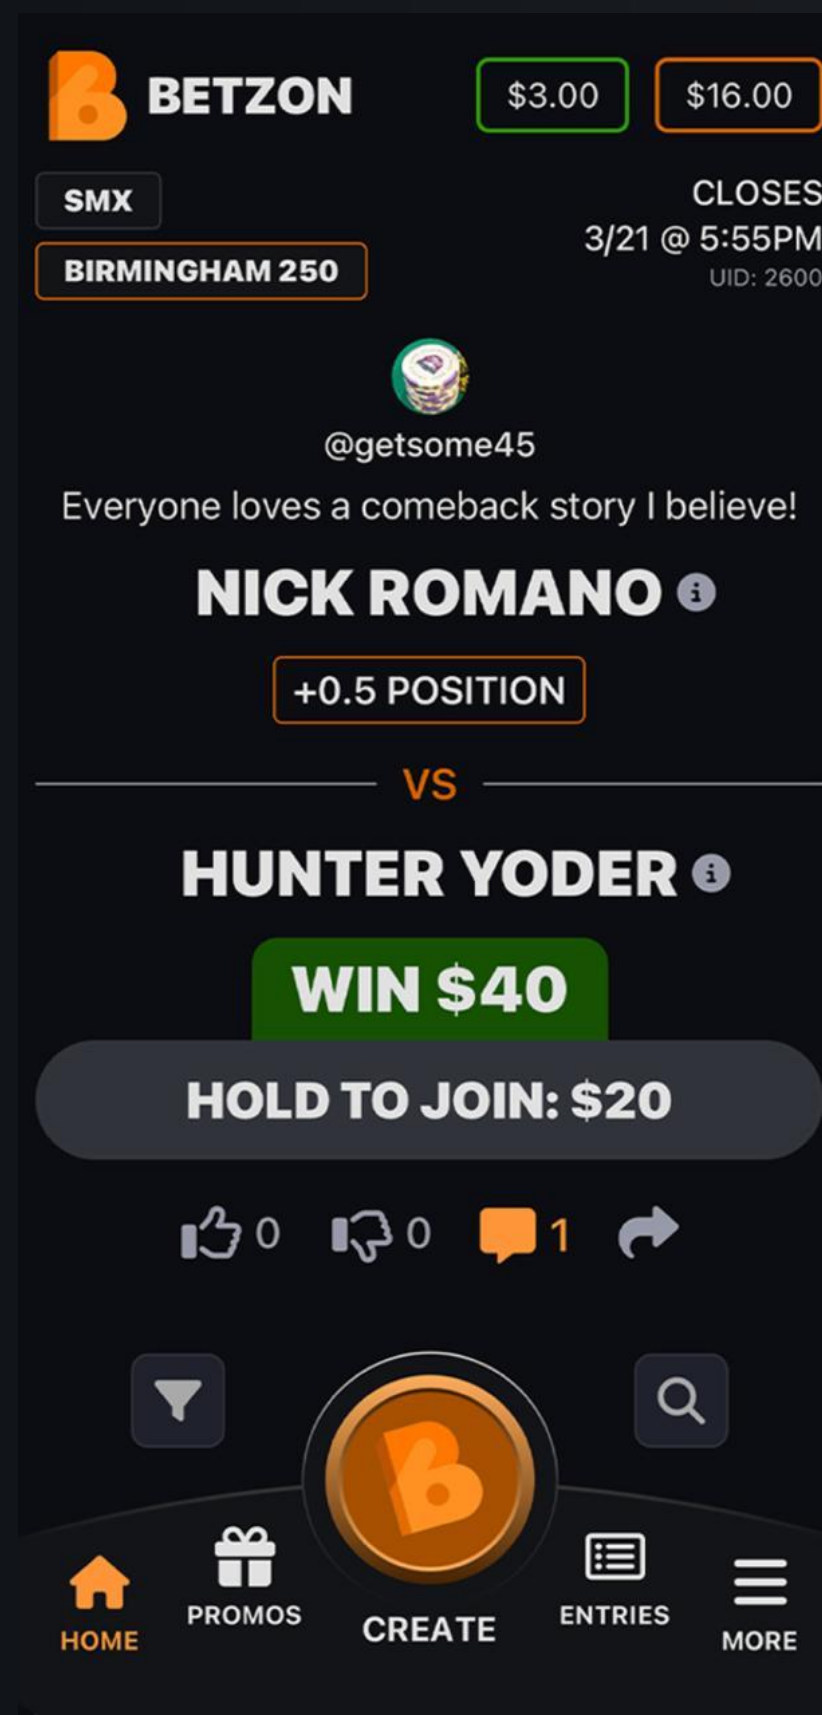

- World Cup 2026 creates a unique timing opportunity.
- Soccer viewership in the US is rapidly growing.
- Gen Z prefers social-first and creator-driven sports experiences.
- Mobile sports engagement continues accelerating.

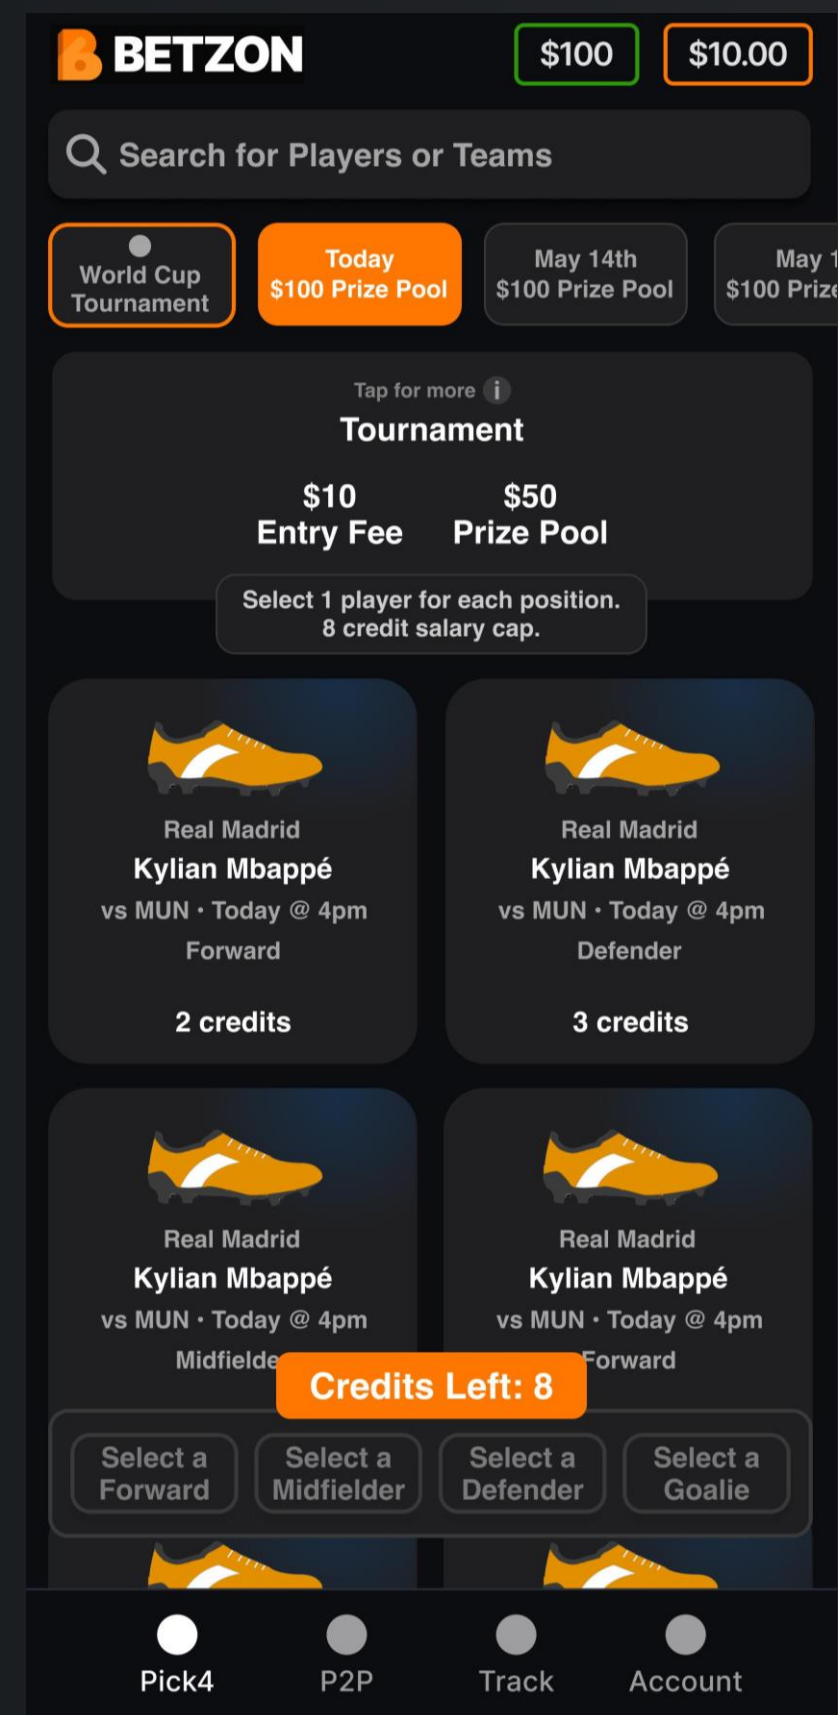

WHAT BETZON IS

- Peer-to-peer contests with no traditional sportsbook house model.
- PLUS: Pick-4 DFS contests based on player scoring.
- Soccer-first expansion including Liga MX, Premier League, Champions League, MLS, and World Cup.
- Spanish-language ready platform designed for the underserved US Hispanic market.
- Continued focus on UFC and Motocross communities.
